ORDER

Koshy,J.

This review petition is filed contending that the case was wrongly decided. A review petition cannot be equated to a petition for rehearing of the matter or an appeal proceedings. All the decisions cited before us were considered and passed the judgment under review. If any error is committed in the judgment, it is for the petitioner to take the matter in an appeal. The judgment was dictated in open court. No grounds are stated to condone the long delay of 117 days. Hence, both delay condonation petition as well as review petition are dismissed.
